Meeting in France, La Rochelle (January 2023)

The challenges of sustainable development in vocational training and adult education.

Partners of PRALINE project attended the 6th PLA Meeting in France organized by UNMFR.

The presenters came from different fields of UNMFR activities and showed many good practice cases and some of them we would like to share with you below.

Good practice No. 1 and No. 2:

Vocational Training in France and Vocational training organisations at the service of rural development in rural areas, Philippe Ristord

Good practice No. 3: Monitor training

The moniteur build pedagogy around the learner's work experience in a socioprofessional environment and his personal development.

The job of »Monitor«, Sandrine Guibert

Monitor training, Mathias Ledouce

Good practice No. 4: Zero carbon territory

La Rochelle, a Zero Carbon Territory: what is it? How can we support the development of skills in sustainable development? Joffrey Perrussel, Julien Cluchague (University of La Rochelle)

Good practice No. 5:

The Quality approach of training centres in France, Emmanuel Cléro

Good practice No. 6: [Discovia](#)

Identifying, recognising, enhancing and certifying skills using digital tools: a sustainable development approach for the individual? Judith Fischer, Yann Mengus

[World cafe](#)

Innovative way for group discussion where participants grow the discussion and

Conclusion

After discussing improvements and new digital competences for teachers, as in previous PLAs, PRALINE partners meet in groups to present their views and stimulate a debate to find new ideas among them.

The meeting was finalized by discussing the topic for the next gathering: basic skills for all – and who is paying for it?

UPCOMING EVENTS:

Next PLA Meeting will take place in Finland at May 2023.
